AMRA GEOGREEN WORKS PRIVATE LIMITED
"Engineering Sustainable Infrastructure & Geotechnical Solutions"

ABOUT OUR COMPANY

A Brief Story About The Company

Amra Geogreen Works Private Limited is a professionally managed construction and geotechnical solutions company engaged in delivering high-quality infrastructure and sustainable engineering solutions across India.

Since its incorporation, the company has developed strong expertise in geosynthetics, soil reinforcement, slope stabilization, and civil construction works. With a focus on innovation, quality, and timely execution, Amra Geogreen has established itself as a reliable partner for infrastructure and industrial projects.

Our commitment to engineering excellence, environmental sustainability, and client satisfaction enables us to deliver durable and cost-effective solutions across diverse project environments.

MEET OUR DIRECTOR

“

DIRECTOR's Message

At **AMRA Geogreen Works Private Limited**, we believe that progress is built on the foundations of quality, trust, and innovation. Since our inception, our vision has been to contribute meaningfully to the nation's growth by delivering world-class solutions in infrastructure development, geotechnical works, construction, and sustainable engineering practices.

Our journey has been driven by a commitment to excellence, timely execution, and long-term relationships with our clients and partners. We continuously strive to adopt modern technologies, efficient systems, and environmentally responsible methods that ensure durability, safety, and value in every project we undertake.

The strength of our company lies in our dedicated team of professionals, engineers, and workforce who bring passion, expertise, and integrity to every assignment. Their collective efforts enable us to meet complex challenges with confidence and deliver results that exceed expectations.

As we move forward, AMRA Geogreen Works Private Limited remains committed to expanding its capabilities, embracing innovation, and supporting India's development with sustainable and future-ready infrastructure solutions.

We thank our clients, associates, and stakeholders for their continued trust and support, and we look forward to building a stronger future together.

Mr. Amit Kundu

Director

AMRA Geogreen Works Private Limited

QUALITY
We deliver excellence

INTEGRITY
We act with honesty

INNOVATION
We embrace new ideas

SAFETY
We care for people

SUSTAINABILITY
We build for a better tomorrow

VISION

To become a leading infrastructure and geotechnical solutions provider recognized for quality, innovation, and sustainable development across India.

MISSION

01

Deliver high-quality and cost-effective construction solutions

02

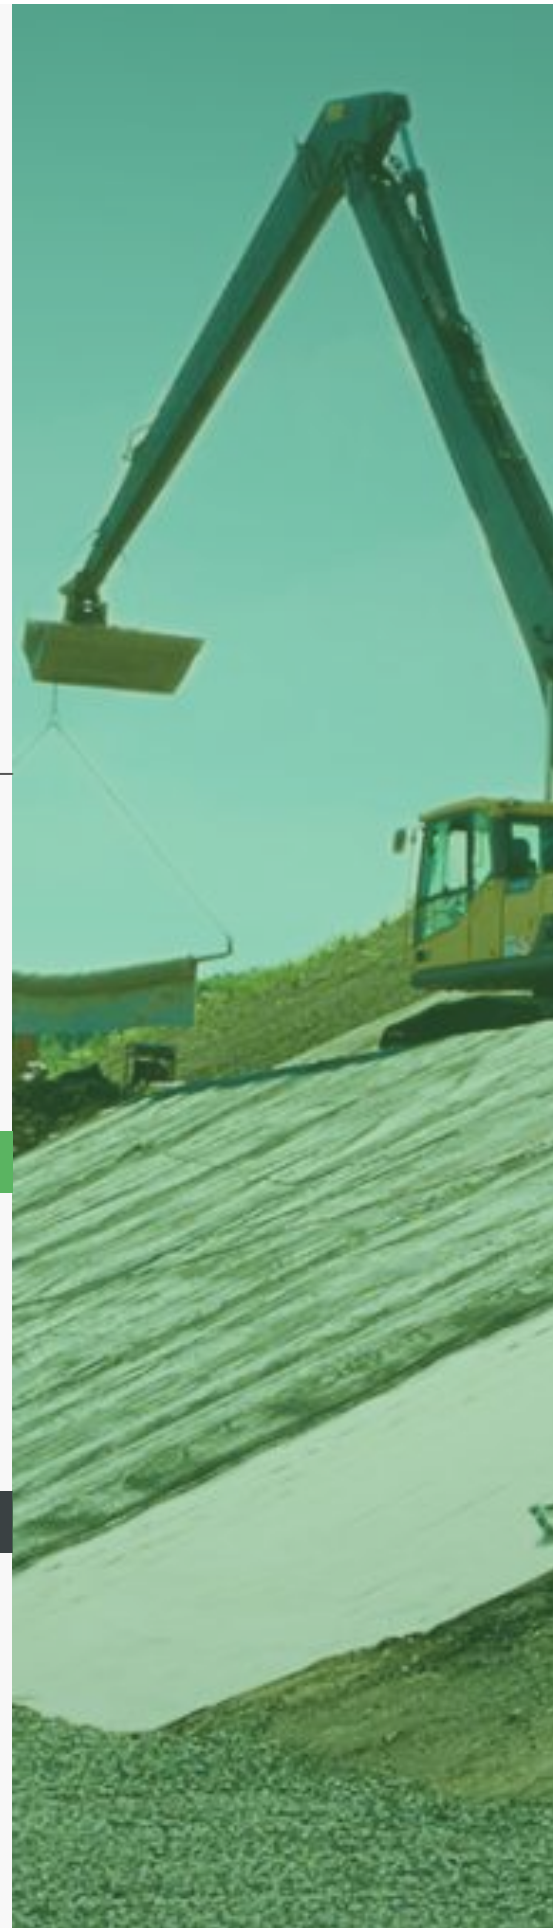

Adopt modern engineering and geotechnical techniques

03

Ensure safety, compliance, and timely project delivery

04

Build long-term relationships with clients through trust and performance

QUALITY ASSURANCE & SAFETY POLICY

At AMRA Geogreen Works, quality and safety are fundamental to everyone we do. We are committed to delivering projects that meet the highest standards of quality, while ensuring the safety and well-being of our people, clients, and communities.

OUR QUALITY ASSURANCE APPROACH

ISO STANDARDS

We follow international quality standards and best industry practices in all our processes.

QUALITY CONTROL PROCESS

A strict quality control process is followed during planning, procurement, execution & handover.

MATERIAL TESTING

All materials are tested in approved laboratories and on-site to ensure compliance with IS codes and project specifications.

SITE INSPECTION & MONITORING

Regular site inspections and monitoring ensure adherence to quality standards and contract requirements.

CONTINUOUS IMPROVEMENT

We constantly review our systems and processes to enhance efficiency, quality, and client satisfaction.

OUR SAFETY POLICY

SAFETY FIRST

Safety of our workforce and stakeholders is our top priority.

SAFE WORK ENVIRONMENT

We provide a safe, healthy and hazard-free work environment for everyone.

TRAINING & AWARENESS

Regular safety training and awareness programs are conducted for all employees.

SAFETY AUDITS

Periodic safety audits and risk assessments help in identifying and mitigating risks.

PPE COMPLIANCE

Use of proper Personal Protective Equipment (PPE) is mandatory at all sites.

ZERO ACCIDENT GOAL

We are committed to achieving zero accidents in all our projects.

OUR COMMITMENT

We are committed to delivering superior quality and ensuring the highest standards of safety in every project, every day.

BUSINESS OVERVIEW

CORE STRENGTHS

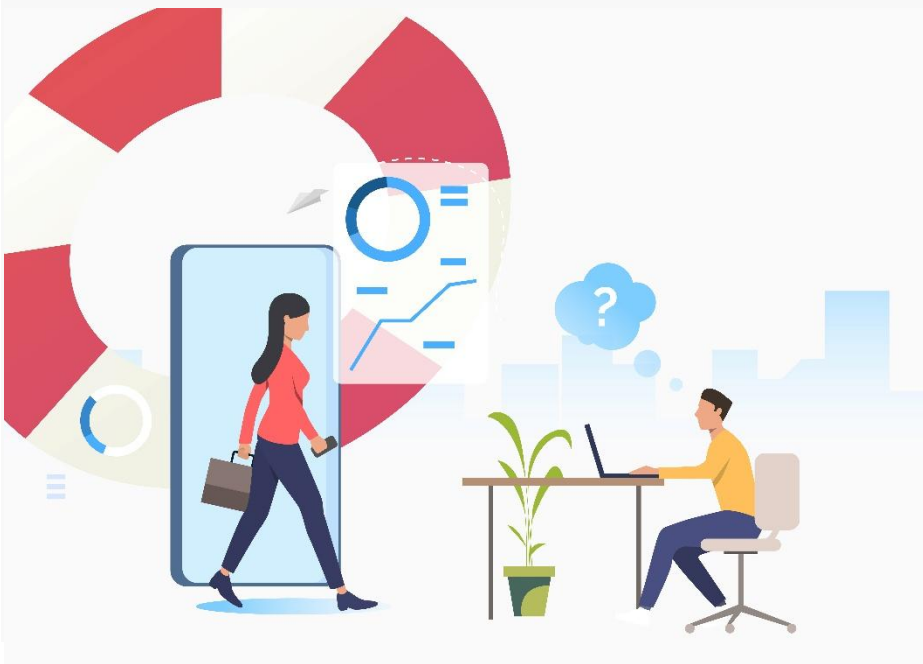

- ✓ Experienced technical team
- ✓ Strong geotechnical expertise
- ✓ Ability to work in difficult terrains
- ✓ Quality & safety-driven execution
- ✓ Back-to-back EPC capability

OUR CLIENTS

- ▶ Government Departments
- ▶ Infrastructure Developers
- ▶ EPC Contractors
- ▶ Industrial Clients

EXECUTION MODEL

Projects are executed through in-house teams supported by selected vendors, ensuring timely delivery and cost control. Our streamlined project management approach enables efficient resource utilization across multiple simultaneous projects.

COMPANY GROWTH

Since our incorporation, AMRA Geogreen Works Pvt. Ltd. Has consistently evolved, expanded our capabilities, and delivered high-quality infrastructure and geotechnical solution across India. Our Growth is result of trust, innovation, quality execution and long-term partnerships.

OUR GROWTH AT A GLANCE

10+

Clients

GROWTH CHART

Since inception, AMRA Geogreen Works has demonstrated consistent growth through:

- Expansion of service capabilities
- Execution of technically challenging projects
- Strong client repeat business
- Deployment of skilled technical teams
- Adoption of modern construction practices

Our growth reflects our commitment to quality execution and client trust.

TECHNICAL CAPABILITIES

01

Modern Construction Techniques

Adoption of contemporary methods for geogrid installation, slope protection, soil reinforcement, and infrastructure development.

02

Material Testing & Quality Control

Rigorous on-site and laboratory testing of materials to ensure compliance with IS codes and project specifications.

03

Site Supervision

Dedicated site engineers and supervisors for each project always ensuring workmanship quality and safety compliance.

03

Project Management Systems

Structured planning, scheduling, and monitoring using modern project management practices for timely and cost-effective delivery.

FUTURE VISION

Our roadmap for growth and expansion

Pan-India Expansion

Extending operations to new states and regions across India, building local expertise and regional project capacity.

Large EPC Projects

Entry into large-scale EPC contracts as a primary contractor, managing full project lifecycle from design to handover.

Technology Adoption

Investing in modern construction technology, BIM, and digital project management for superior execution quality.

MAJOR PROJECTS

AMRA Geogreen Works Pvt Ltd has successfully executed a wide range of infrastructure and geotechnical projects across different terrains and industries. Our focus on quality, safety and timely delivery has earned the trust of reputed clients and organizations.

SR. NO.	PROJECT NAME	CONTRACT VALUE (IN CR.)	LOCATION	COMPLETION YEAR	STATUS
1	Construction and up gradation of existing road to 2-lane with paved shoulder from existing Chainage Km468+000 to Km 489+350 (Design Chainage Km 465+150 to Km 471+500) of NH-07, (old NH-58) Including Joshimath Bypass) on EPC mode in the state of Uttarakhand (Length 6.35KM).	185.84	UTTRAKHAND	2027	ONGOING
2	Stabilization of land slide and slope protection at Km 38.375 to Km 38.515 Km 45.790 to Km 46.100 Km 68.280 to Km 68.400 Km 69.320 to Km 69.430 Km 84.940 to Km 85.050 Km 106.030 to Km 106.460 Km 108.045 to Km 108.310 Km 117.430 to Km 117.550 on Gangotri – Dharasu-Rishikesh road (NH34) on EPC mode in the State of Uttarakhand. (nos of land slide – 08 nos)”	51.82	UTTRAKHAND	2026	ONGOING
3	Treatment of landslide zone 11 location from km 101.01 to km 191.365 on NH-125 (New NH-09) in the State of Uttarakhand(Lohaghat)	18.70	UTTRAKHAND	2026	COMPLETED
4	Stabilization of Land slide and Slope protection at KM.482.070 to KM 482.170. KM.493.970 to KM 494.115, KM 494.450 to KM 494.600 Km 495.320 To KM 495.540 & KM 486.100 To KM. 486.170 on Rishikesh -Joshimath -MANA Road (NH-07) on EPC Mode in the State of Uttarakhand (NOs of Land Slide -05 Nos.)	26.31	UTTRAKHAND	2026	COMPLETED
5	Treatment of 01 nos. of landslide at Ch.79.850 to 80.300 (Dabarkot) on NH-134 under EPC Mode in the State of Uttarakhand under Annual Plan 2024-2025.	34.11	UTTRAKHAND	2027	ONGOING
6	Landslide Treatment work of 01 Location at Km 116 on NH-109 (Old -87 Ext.) (Chhara Village) Under EPC Mode in the State of Uttarakhand Under Annual Plan 2024-2025	21.44	UTTRAKHAND	2027	ONGOING
7	Landslide Treatment work (Valley Side) from 106.345 to 106.4609 (Near Swala) On NH-09 (Old NH-125) under EPC Mode in the state of Uttarakhand Under Annual Plan 2024-2025	8.24	UTTRAKHAND	2026	ONGOING
8	Landslide Treatment work of 08 Location (Ch.238.750 km to 238.920km , ch.246.790 km to 246.850 km , ch 247.340 km to 247.440 km , ch 254.340 km to 254.410 km , Ch.261.550km to 261.680 km, ch.281.600 to ch.281.925km, ch.283.250km to 283.500.km Under EPC Mode in the State of Uttarakhand Under Annual Plan 2024-2025 .(Shivpuri to Devprayag)	33.01	UTTRAKHAND	2026	ONGOING
